```
classDiagram
    class CuServiceI
    class CuActionFactoryService
    CuActionFactoryService --|> CuServiceI
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'CuServiceI'. Below it is a box labeled 'CuActionFactoryService'. A blue arrow points from the bottom of the 'CuActionFactoryService' box up to the bottom of the 'CuServiceI' box, indicating that 'CuActionFactoryService' inherits from 'CuServiceI'.
